Ex-officio *Controller of Patents and Designs.*

EPIDEMIC DISEASES HOSPITAL, MYSORE.

Tender Notice dated, 5th September 1933.

Notice is hereby given that sealed tenders in (triplicate) will be received at the Office of the Medical Officer, Epidemic Diseases Hospital, Mysore, between 8-30 and 10-30 A.M., on the 25th September 1933, for the supply of Pasteurised Milk, required for the use of the above Hospital from 1st January 1934 to 31st December 1934 (inclusive).

2. No tender will be received after the date abovementioned.

3. Tenders to be superscribed "Tender for the supply of Pasteurised Milk" to the Epidemic Diseases Hospital, Mysore.

4. No tender will be received unless accompanied by a deposit of Rs. 50 in treasury receipts.

5. Tenders will be opened by the Medical Officer in charge, at his office on the date and at the hour abovementioned in the presence of such tenderers, as may choose to attend.

6. The rate should be quoted, in terms of imperial pints per rupee and not stated in pounds, (1 pint=20 ounces.)

7. The quantity stated in the list is not guaranteed.

8. The Senior Surgeon reserves to himself the right of rejecting any tender without assigning any reason therefor.

9. The contract must not be sublet.

10. The milk should be supplied in sterilized and sealed containers of the description and size prescribed by the Medical Officer.

11. The deposite of the successful tenderer will be retained and will be forfeited to Government, if he fails to complete the contract by executing the necessary agreement and furnishing the required security (to the amount of Rs. 200) within three days from the date of his receiving intimation of the acceptance of his tender.

12. No advance of cash will be made to the contractor, payment for the Pasteurised Milk supplies in each month will be made as soon as possible after the 10th of the following month on his producing the necessary bill with vouchers.

13. Milk should be supplied at 6 A.M., 9 A.M. and 4 P.M, daily.

14. In the events of the milk being of inferior quality or of failure in the due fulfilment of such conditions as may be laid down in its handling, pasteurisation, bottling and transit, it will be open to the Medical Officer to levy a fine not exceeding Rs. 20 on each count. If nevertheless there should be continued breach of the conditions or should the supply prove unsatisfactory in any way, the contractor will be liable to be terminated without notice. In such an eventuality, the contractor shall be bound to make good to Government the loss that may have to be incurred by having to make other arrangements for the supply.

15. The contractor will be bound on occasions of emergency to supply any amount of milk and at short notice. The contractor will depute a servant to be present on the hospital premises between 6 A.M. to 6 P.M.

16. Milk means, cow's milk not skimmed or separated. The attention of the tenderer is drawn to Government Notification No. G. 911—Sany. 61-30-2, dated 29th July 1931, published in the *Mysore Gazette*, Part IV, dated 6th August 1931.

Probable quantity of milk required for the year 1934—10,087 imperial pints.
